## DELECTABLE DESIRES

*West Roxbury, MA*

Delectable Desires Pastries was founded by Carlene O'Garro in 2007 in her home in Mattapan where she made cake and pie for friends and family. Growing up in a Caribbean household taught her how to combine her Caribbean roots into many of her recipes. As they continue to grow, they still make everything from scratch with flour, butter, sugar, a sprinkle of the Caribbean and lots of love.
